

# Do As You're Told

Andy Crane

**NOTE:** This puzzle was not explicitly named in the puzzle books. It is common for College Puzzle Challenge to hide one puzzle and leave it to clever contestants to find the puzzle. This puzzle was hidden in the puzzle instructions of Puzzle Book #3.

## INSTRUCTIONS

1. Puzzle answers must be submitted using the [www.collegepuzzlechallenge.com](http://www.collegepuzzlechallenge.com) website. Answers submitted directly from an email account will not be accepted.
2. Answers are a word or a short phrase. If in doubt, submit intermediate work. Your question will be queued, and an official will respond. Puzzle central can sometimes validate that you are heading in the correct direction.
3. No puzzle requires the final solution or penultimate clues to be anagrammed. If letters are out of order, the puzzle provides a way to confirm the order of the letters to the final solution or clue.
4. Some puzzles require scissors. Electronic copies of these puzzles are available on the website.
5. It has come to our attention recently that bribery has become a serious problem in the movie industry. This completely undermines the industry, and there is truly no place for it. That said, under no circumstances should you attempt to bribe the staff in an attempt to gain an advantage over your competitors by obtaining additional information.
